Carnegie Mellon University is in **Pittsburgh**, a mid-sized city in Southwestern Pennsylvania. Located about an hour's flight from New York City, Chicago, Washington DC and Baltimore, Pittsburgh's **cost of living is 55%** of New York City's, making it an inexpensive, fun and productive place to live and work. Pittsburgh has been named:

Nestled between 450-acre Schenley Park, the University of Pittsburgh, and the charming Craig Street shopping district, CMU is within easy walking distance of spectacular cultural resources, including the Carnegie Museum of Art **1**, the Carnegie Museum of Natural History **2**, the Carnegie Library **3**, and Phipps Botanical Gardens **4**.

Carnegie Mellon is a multi-disciplinary research university comprised of seven colleges and numerous research institutes — a home to more than 5000 undergraduates in 80 baccalaureate degree programs, 2500 graduate students, 3000 staff, and 1000 faculty. Carnegie Mellon University is:

The **College of Fine Arts** (CFA) at Carnegie Mellon brings together five internationally-renowned departments: the Schools of Art, Design, Architecture, Drama and Music.

In addition to the **BFA** (Bachelor of Fine Arts) and 5-year **BArch** (Bachelor of Architecture) degrees, the College also offers three *special interdisciplinary degrees*: the **BHA** (Bachelor of Humanities and Arts); the **BSA** (Bachelor of Science and Arts), and the **BCSA** (Bachelor of Computer Science and Arts). These programs allow for *integrated double-majors* in the student's choice of undergraduate concentration areas.

For graduate students, the various CFA Schools also offer programs leading to the **MFA**, **MDes**, **MArch**, and **MMus** degrees.

The **CMU School of Art** considers, in practical and visionary terms, the role of art and the artist in society. Combining the advantages of an innovative professional studio program with the interdisciplinary resources of a top-tier university, we encourage experimentation, crossing boundaries, and hybrid processes while engaging the history and traditions of art. The Carnegie Mellon School of Art:
